Levy Jorge Ferreira da Silva

JUNIOR DEV.

Paranaguá, Brazil | (41) 9 91265382 | levyjorg@gmail.com | levyferreira.com

Early career developer, with a professional focus on backend, with academic technical experience, and published articles, I seek an environment that allows me to learn, grow professionally and deliver value. My final project was approved with maximum score and recognized with the 1st place at the Technological Innovation Fair (IFTECH) of Campus Paranaguá 2019, and with an honorable mention at Computer on the Beach 2020
